Strong Points

- ➔ Project Management, Project architecture design and Estimation
- ➔ Product development
- ➔ UML, Design pattern, OOD, OOA and OOP
- ➔ Problem solving skills within a short time
- ➔ Quick learner and a good listener
- ➔ Well organized and proactive to work hard to achieve objectives

Projects History

- ➔ Pocketalk, Supertool – General Manager
- ➔ IkinariPDF – General Manager
- ➔ iFilter[Used AI Technology] – General Manager
- ➔ MATCHA[SDNA] – Senior Manager
- ➔ E21NopCommerce - Manager
- ➔ CMT - Manager
- ➔ TGI CRM - Manager
- ➔ SOLS Music application - Manager
- ➔ Train and Fight Simulator - Manager
- ➔ Simple backup - Manager[Team Lead]
- ➔ Data Recovery - Senior Software Engineer [Team Lead]
- ➔ Drive cleaner – Senior Software Engineer [Team Lead]
- ➔ E-DrawingSDK – Senior Software Engineer
- ➔ Cha-Chao game – Software Engineer

Project Philosophy

- ➔ A good design and architecture plays vital role to success project
- ➔ A good project management skills plays vital role to success project
- ➔ Requirement changes must be under change management board
- ➔ Most of the project fails for the lack of project management skills

Work history

- **Aug 2014 Continue**
  - ➔ Senior General Manager
  - ➔ General Manager
  - ➔ Senior Project Manager
  - BJIT LIMITED DHAKA

- **May 2011 to July 2014**
  - ➔ Manager
  - ENOSIS SOLUTION

- **June 2008 to 2011 April**
  - ➔ Manager
  - ➔ Senior Software Engineer
  - BJIT INC

- **Jan 2005 to May 2008**
  - ➔ Senior Software Engineer
  - ➔ Software Engineer
  - BJIT LIMITED DHAKA

Personal

- ➔ Date of Birth:01-07-1979,
- ➔ Marital Status: Married,
- ➔ Sex: Male,
- ➔ Nationality: Bangladeshi.
- ➔ Contact: +8801945360095
- ➔ Skype: saiful_vonair
- ➔ Email: saiful.alam@bjitgroup.com

Added as GM

New in Organization

- ➔ Define the template for review process[Source code, SRS, WBS, TC, TP, Design, etc..]
- ➔ Define the template for estimation to increase quality
- ➔ Define the process to handle the requirements and Bugs
- ➔ Define the bug investigation report template
- ➔ Define the impact analysis report for Dev and QA team
- ➔ Define the template for quality matrix for each team
- ➔ Increase team quality by proper guideline in development
- ➔ New project proposal and estimation template
- ➔ Training plan for project managers and Architect
- ➔ Review project estimation and WBS created by team
- ➔ Manage the risk management for team
- ➔ Define project architecture and design
- ➔ Reusable component design concept for all platform
- ➔ Define the development model for each team
- ➔ Define team structure for proposal and estimation
- ➔ Define new template for project status report
- ➔ Define task monitoring system for whole team at a glance

Education

- ➔ BS in Computer Science,
- ➔ National University, Dhaka, Bangladesh
- ➔ Year 2004
- ➔ First class
